How to calculate your licence fee for the concerts listed on the back page

The licence fee for each concert depends on whether admission is charged. For paid admission, the fee is a percentage of gross ticket sales (exclusive of sales and amusement taxes), while for free admission, the fee is a percentage of what is paid to the performing artists. A minimum annual licence fee of **\$60** applies to both paid and free admission events. Complete the calculation table found on page three for all the concerts you have listed.

Terms of this licence

The legal terms that govern your licence include those set out herein as well as the terms found in the approved tariff including the General Provisions, as approved by the Copyright Board for each year (collectively, the *tariff*). If you have any questions regarding the terms, please contact us at the address and numbers shown at the bottom of this page.

1. If the tariff for a year has not been approved by January 1st of that year, the last approved tariff will govern until the new version is approved, at which time the per concert licence fees will be adjusted to reflect the approved version for the year.
2. A copy of any tariff may be obtained from SOCAN by calling **1.866.944.6223**.
3. This licence will renew automatically on January 1st of the following year for a 12-month period unless terminated by either party upon 30 days notice in writing.
4. The licence fee, plus applicable taxes, will be calculated in accordance with the terms of the tariff based on the information set out in the most recently filed report form or audit form, subject to adjustment to reflect any updated reports or audits pursuant to the tariff.
5. We have the right to audit your books and records, on reasonable notice and during normal business hours, to verify your statements and licence fee.
6. You will keep records of all information required to calculate the licence fees.
7. You shall estimate the fee payable for the year for which the licence is issued, based on the total receipts/fees paid for the previous year, and shall pay such estimated fee to SOCAN on or before January 31 of the year for which the licence is issued. Payment shall be accompanied by a report of the gross receipts/fees paid for the previous year.
8. On or before January 31 of the following year, a report shall be made of the actual gross receipts/fees paid during the calendar year for which the licence is issued, an adjustment of the licence fee payable to SOCAN shall be made, and any additional fees due on the basis of the actual gross receipts/fees paid. If the fee due is less than the amount paid, SOCAN shall credit the licensee with the amount of the overpayment.
